

## Can't Fight The Moonlight

Under a lovers' sky, Gonna be with you  
And no one's gonna be around, If you think that you won't fall  
Well just wait until, Til the sun goes down

Underneath the starlight - starlight  
There's a magical feeling - so right  
It'll steal your heart tonight

You can try to resist, Try to hide from my kiss  
But you know, But you know that you can't fight the moonlight  
Deep in the dark, You'll surrender your heart  
But you know, But you know that you can't fight the moonlight  
No, you can't fight it, It's gonna get to your heart

There's no escape from love, Once a gentle breeze  
Weaves it's spell upon your heart, No matter what you think  
It won't be too long, Til your in my arms

Underneath the starlight - starlight  
We'll be lost in the rhythm - so right  
Feel it steal your heart tonight

You can try to resist, Try to hide from my kiss  
But you know, But you know that you can't fight the moonlight  
Deep in the dark, You'll surrender your heart  
But you know, But you know that you can't fight the moonlight  
No you can't fight it, No matter what you do  
The night is gonna get to you

Don't try then  
You're never gonna win

Underneath the starlight - starlight  
There's a magical feeling - so right  
It will steal your heart tonight

You can try to resist, Try to hide from my kiss  
But you know, But you know that you can't fight the moonlight  
Deep in the dark, You'll surrender your heart  
But you know, But you know that you can't fight the moonlight  
No, you can't fight it

You can try to resist, Try to hide from my kiss  
But you know, Don't you know that you can't fight the moonlight  
Deep in the dark, You'll surrender your heart  
But you know, But you know that you can't fight the moonlight  
No, you can't fight it  
It's gonna get to your heart
