

DON'T STOP MOVING

**DJ got the party starting this no end inside
Everybodys movin'
To the rytm' that's inside
Its a crazy world, but tonights the right situation
Don't be left behind**

**I can feel the music going through me everywhere
Ain't no destination baby, we dont even care
Theres a place to be if you need the right education
Let it take you there**

**Its gone with the magic baby, but I can see it there in your eyes
(I can see there in your eyes)
Theres no time for waiting
Right there on the dance floor is where you've got to let it go**

**Don't Stop Movin' Can you feel the music
DJ's got us going around, round
Don't stop moving Find your own way to it
Listen to the music Yeah Yeah Yeah**

**Find your own way to it
Listen to the music
Taking you to places that you've never been before baby now**

**Forget about your fears tonight
Listen to your heart and just touch the sky
No need to reason why
Just listen to the sound
Let it make you come alive**

**Don't Stop Movin' Can you feel the music
DJ's got us going around, round (Don't Stop Movin')
don't stop moving Find your own way to it
Listen to the music
Taking you to places that you've never been before baby now**

**Livin' up times and the moment all those feelings in the air
Don't know where we're goin baby, we don't even care
Ain't no mystery just use your imagination
Let it take you there**

**Its gone with the magic baby, but I can see it there in your eyes
(I can see there in your eyes)
Theres no time for waiting
Right there on the dance floor is where you've got to let it go**

**Don't Stop Movin'
Can you feel the music
DJ's got us going around, round**
