**DJ got the party starting this no end inside  
Everybodys movin'  
To the rytm' that's inside  
Its a crazy world, but tonights the right situation  
Don't be left behind**

**I can feel the music going through me everywhere  
Ain't no destination baby, we dont even care  
Theres a place to be if you need the right education  
Let it take you there**

**Its gone with the magic baby, but I can see it there in your eyes  
(I can see there in your eyes)  
Theres no time for waiting  
Right there on the dance floor is where you've got to let it go**

**Don't Stop Movin' Can you feel the music  
DJ's got us going around, round  
Don't stop moving Find your own way to it  
Listen to the music Yeah Yeah Yeah**

**Find your own way to it  
Listen to the music  
Taking you to places that you've never been before baby now**

**Forget about your fears tonight  
Listen to your heart and just touch the sky  
No need to reason why  
Just listen to the sound  
Let it make you come alive**
