

Leave Right Now

I'm here just like I said
Though its breaking every rule I've ever made
My racing heart is just the same
Why make it strong to break it once again?
And I'd love to say I do
Give everything to you
But I can never now be true
So I say...

[Chorus]

I think I'd better leave right now
Before I fall any deeper
I think I'd better leave right now
Feeling weaker and weaker
Somebody better show me how
Before I fall any deeper
I think I'd better leave right now

[Verse 2]

I'm here so please explain
Why you're opening up a healing wound again
I'm a little more careful
Perhaps it shows
But if I lose the highs, at least I'm spared the lows
Bridge
Now I tremble in your arms
What could be the harm
To feel my spirit calm
So I say..

[Repeat Chorus]

[Middle 8]

I wouldn't know how to say
How good it feels seeing you today
I see you've got your smile back
Like you say your right on track
But you may never know why
Once bitten twice is shy
If I'm proud perhaps I should explain
I couldn't bear to lose you again

[Repeat Chorus]

Yes I will...
