[Spoken:] - I need time (time) - Love (love) - Joy (joy) - I need space - I need me - (Action!)

Say hello to the girl that I am!
You're gonna have to see through my perspective
I need to make mistakes just to learn who I am
And I don't wanna be so damn protected
There must be another way
Cause I believe in taking chances
But who am I to say
What a girl is to do
God, I need some answers

What am I to do with my life (You will find out don't worry)
How Am I supposed to know what's right? (You just got to do it your way)
I can't help the way I feel
But my life has been so overprotected

I tell 'em what I like
What I want
What I don't
But every time I do I stand corrected
Things that I've been told
I can't believe what I hear about the world, I realize
I'm Overprotected

There must be another way
Cause I believe in taking chances
But who am I to say
What a girl is to do
God I need some answers

What am I to do with my life (You will find out don't worry)
How Am I supposed to know what's right? (You just got to do it your way)
I can't help the way I feel
But my life has been so overprotected

I need... time (love)
I need... space
(This is it, this is it)

I don't need nobody
Tellin me just what I wanna
What I what what I'm gonna
Do about my destiny
I Say No, No
Nobody tell me just what what what I wanna do, do
I'm so fed up with people telling me to be
Someone else but me

(Action!)
